# BUTTON Luminaire

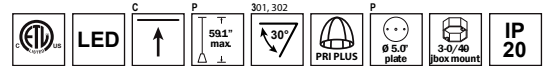

P

C

Button is an All-Rounder among the surface-mounted downlights. This luminaire series can be used for general lighting as well as for accent lighting by its rotatable and pivotable light-insert. The scope of this clear designed and high efficient LED luminaire is expanded by three light colours and four beam angles. The complete series is also available as pendant version.

Surface-mounted LED downlight for general and accent lighting, light-insert rotates through 350° and pivots through 20°, outstanding ease of maintenance, no UV and thermal emissions, thermal management with passive cooling, specular reflector made from high-quality aluminum 99.98%, housing cylinder made from aluminium, light-insert made from die-cast zinc, mounting plate with arrestor cable, clear safety glass, easy ceiling attachment via mounting plate with tool-free bayonet catch, 5-pole terminal block, LED converter integrated.
